### RE: NEED TO BEGIN A NURSERY SCHOOL AT KATITO PARISH

Greetings in the name of the Lord whom we serve.

On behalf of the Parishoners and Parish Council I acknowledge the beginning of the New parish, Katito.

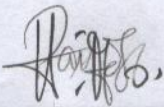

Being a New Parish, it still has many plans to be put into place gradually. At first sight, Pastoral and Parochial activities are to go on but as an institution we are very much aware other activities will also come in.

Without doubt, institution for learning is indispensable. So it is from the point of view for learning that the Parishoners and Parish Council feel the need to manage a nursery School for the community. It is our hope that you will be in a position to advise us and to support us in any way possible. (Ref. As for now, Best wishes as we cooperate always in doing good works.

Yours faithfully,
